Switzerland and the Netherlands in the European Youth Championships in Pila

Gold in the XC Eliminator Under 17 of the European Youth Mountain Bike Championships, in Pila (Aosta Valley), goes to the German Carla Hahn and the Dutch Jelte Jochems, at the end of the second day of competitions with the first individual European titles up for grabs.

The German Carla Hahn (Scott racing Germany) takes the lead from the first to the last meter, leaving no room for her rivals. Second place went to the Swiss Sirin Staedler (Ka boom Switzerland 2), followed by the Piedmontese Anna Pellegrino (Buzzi Unicem, Loris bike, i Cinghiali) and the British Emily Carrick-Anderson (Ride for Charlie Scotland).

The men's final was more competitive, with podium positions in the balance until the last stroke of the pedal, where Dutch Jelte Jochems (Team Hobij Vittoria) won, who got the better of Czech Vaclav Jezec. An all-Italian challenge for the bronze, which saw Mattia Settin (Bettini bike) prevail over the blue Elian Paccagnella.

Tomorrow is an intense day, with the first competition - the Xco - which will start at 10 with the Under 15 men. At 12 the women of the same category will compete for the title, while the afternoon (from 14) will see the women category Under 14 challenge each other. The men in the 13-year-old category will close the penultimate day of competition, at 4 pm.
