

INSTRUCTIONS FOR COVID ANTI-CONTAGION MEASURES

The test is mandatory for championship riders, national federation and UEC team staff, media, UEC staff including commissioners, anti-doping and organization.

- ✓ A negative result Covid-19 rapid test, within 48 hours, must be provided currently to the entrance to the event site, at the covid-19 registration office, in Pila at the arrival of the cable car.
- ✓ The test results are valid for 48 hours and you must do a new test (PCR or antigen) to keep the access to the event site.

Before entering in the yellow area, you must go to the *Covid Accreditation Office* (near the cable car arrival) for the anticovid accreditation (see logistic map and services on the website www.pilabike.it), where you will:

- ✓ acceptance of the athletes and technicians list. (excluding national teams, are allowed n°3 Team Managers per team up to 6 athletes, an additional technician for every other 3 athletes for another team);
- ✓ acceptance of the self-certifications of all those who access the area;
- ✓ acceptance of the rapid antigen test report, with a negative result, performed in the the previous 48 hours. The test is mandatory for all those who access the sports site.

Exempt from the preventive and continuous buffer those who present:

- ✓ vaccination certificate attesting vaccination or having received the first vaccine for at least 15 days. Certificate certifying the recover from Covid -19 for more than 6 months (only for Italian).

The Anti-CovidOffice will check correct compilation and the sub sequent delivery to the Race Office. At the Anti-Covid office every one will receive a braccetto success the sports area, differentiate according to the role played in the event.

The presence in the list for National Teams / Teams / Mixed Teams and self-certifications are an essential condition to access at the race area.

The non-delivery and correct compilation of the aforementioned documentation is a reason for non-acceptance at the sport event.

The new mandatory quick test for all accredited participants will be held on Wednesday 30th June and Thursday 01st July 2021.

The quick swabs service to maintain access to the race site will be set up by the **Italian Red Cross near the** skating rink at the PLACE Pila 2000 (see the logistics and services map on the website www.pilabike.it).

COVID-19 TEST - ON SITE

- ✓ Cost of 5€ for a rapid Antigen test, with results available within 15/20 min;
- ✓ Test payments can only be made in cash - €;
- ✓ Reservations will be managed directly by the organization through a list drawn up by *Pila Bike Planet* and published on the FB page on 29th June :

<https://www.facebook.com/uecmtbyouthchampionships> and on the site <https://pilabike.it/informativa-covid>

RAPID MOLECULAR SWAB / ANTIGEN TEST – Just in case of need for the departure

You can do a **molecular swabs** and **rapid antigen test** from Friday 2nd July at the : - **Istituto Radiologico Valdostano (IRV)** - <https://www.gruppoirv.it/>

The structure is easily reachable by bicycle also coming down from Pila with the Pila/Aosta cable car.

- ✓ Cost of the molecular swab - 92.00 euro
- ✓ Cost of the rapid test - 35 euro

Reservations can be made by email at : area.clienti@gruppoirv.it

The competition site will be divided in 2 zones: **Yellow Zone - Green Zone.**

White Zone not provided. The presence of the public is not planned.

To ensure the social distancing of at least 1 meter between people, entry to the competition site is allowed to a limited number of people, calculated on the basis of the available area (about 4 square meters per person).

YELLOW AREA

Park area at the exit of the Pila tunnel - Pila ski school – 5000mq

All people inside the area must wear a mask and must maintain a distance of at least 1 meter between one person and another. To access the yellow zone, it is necessary to undergo a temperature measurement and check for the presence of the bracelet.

Inside the Yellowe Zone there will be signs relating to the behaviors to be followed.

PRELIMINARY OPERATIONS AT THE RACE OFFICE - TH Hotel

Once the anticovid accreditations have been carried out, only one technician per national team /team /mixed / individual team can present himself to the organizing secretariat.

The Team manager/team manager will check the cards, collect the race pack (already prepared by the organization) with numerical table, backbones and passes to access the areas of the race site (green area /feed and tech. Zone).

The passes colored sticker according to the access area:

- ✓ • Pass with green badge: access to the green area.
- ✓ • Pass with Blue Badge: access to the Feed Zone and Techzone:
 - UP TO 2 TEAMS 2 BLUE PASS - OVER 2 TEAMS 4 BLUE PASS
- ✓ • Pass with Red Stamp:

The entry list, the start list and the arrival orders will be linked on the event website: www.pilabike.it - onFacebook <https://www.facebook.com/uecmtbyouthchampionships>

TECHNICAL MEETING

06/28/2021 at 6pm

At TH hotel teatro (set up on the basis of anti-contagion measures with a maximum capacity of 350 people) only a national CT, a team manager, an individual manager registered on the Uec Endu platform can access the meeting. The organization will proceed with the check through the list provided by the registration service.

Maximum number of 100 people (Sports Directors, UEC / FCI members, judges and staff of the organization). **Everyone will have to wear a mask and remain seated in their place** or outdoors in the start-finish area, standing with an interpersonal distance of 2 meters with a mask on.

TEAM AREA IN THE YELLOW AREA

Each national team/team will have its own previously booked space which it will manage independently with regard to social distancing, the sanitation of materials and the maintenance of the anti-contagion rules provided for in the protocol.

The Anti-Contagion Committee with its staff will have the task of monitoring the maintenance of the anti-contagion rules provided for in the protocol as well as the full management of accesses and exits to the yellow zone.

At the entrance to the Team Area Zone, signs will be provided relating to the behaviors to be followed. Everyone will have to wear a mask.

GREEN AREA

Entrance is allowed to:

- ✓ competitors wearing goggles and a mask that must be worn until the race judge is authorized to remove it on the starting grid.
- ✓ Organizational staff, race judges, medical staff, a single accredited Team manager, communication staff, speakers, Uec and FCI delegates, guests. All authorized figures are required to wear the pass assigned to them.
- ✓ The Anti-Contagion Committee with its staff will have the task of monitoring the maintenance of the anti-contagion rules provided for in the protocol as well as the full management of accesses and exits to the green area.

AWARDS

The awards will be made at the end of each race. On the stage, athletes with masks and a single personality title of representation will be allowed to go up. The athletes will independently wear jersey and medal.

**As required by the FCI protocols and by the anticovid legislation,
SHOWERS ARE NOT PROVIDED**

Thank you all for your cooperation!
